

CANLIS | DIRECTIONS

FROM I-5

Take the Mercer Street Exit #167. (Note: heading northbound on I-5, the Mercer St. Exit #167 exits from the left hand freeway lane.) As you exit, stay left and turn left at the light onto Fairview. You will be headed away from Lake Union. Go two blocks and turn right onto Harrison. Stay on Harrison until it ends at Aurora. You'll be forced to turn right onto Aurora (Highway 99). Check your odometer. After 1 mile, you'll see a retirement living center followed by Domaine apartments. Slow down! Just past Halladay street (which is immediately on your right) you'll see our sign on the corner and our driveway just 25 yards further on the right. The valets will park your car.

FROM DOWNTOWN

Get onto 6th Avenue (one way going North). Take a slight right at the stop light onto Battery Street (Pink Elephant Car Wash on your right). Stay on Battery as it crosses Denny and automatically feeds onto Aurora Ave. From that point Canlis is about 1.5 miles north. When you see a retirement living center followed by Domaine apartments, slow down! Just past Halladay street (which is immediately on your right) you'll see our sign on the corner and our driveway just 25 yards further on the right. The valets will park your car.

SOUTH ON AURORA

As you go over the Aurora Bridge stay in the right hand lane. At the very end of the bridge take a sharp right hand turn (known as the Queen Anne U-Turn). Keep making sharp right hand turns until you are on Aurora again going Northbound. Turn an immediate right into our driveway off Aurora North.
